Dear Presidents,

Please share this at your council meeting and hang it in the church as a poster for all women to join us.

For the provincial convention, as diocesan hosts, we are asked that each council bring a door prize to be given out at convention. Bring it when you come to provincial convention, or to the diocesan convention if you want to be early.

Upcoming Dates for the CWL

1. **April 26 is CWL National Day of Prayer for peace and hope for councils across Canada.** This day was chosen because the feast of Our Lady of Good Counsel, our patroness, is on April 26th. Many councils in our diocese will do the ministries at mass on April 25 and say the **CWL prayer *Women of Peace and Hope*** during intentions. This prayer can be found in *The Canadian League* magazine and was sent to the president of each council with the *Activities Package* last year.
2. **Provincial Annual Convention to be held in our Diocese May 28 & 29/10.** It will be in Fairview and the Archbishop will be in attendance. CWL Spiritual Advisors and all priests are encouraged to come as there will be a session offered for priests on the Friday morning to explain the purpose and the workings of the CWL. Presidents encourage your parish priest to attend if at all possible.
